To Whom It May Concern

Cytiva works with its suppliers to ensure compliance of articles imported or manufactured within the European Union that are subject to the REACH regulation (EC - No 1907/2006), Article 33, and used in the production of Cytiva products.

Regarding the application of Article 33 of the REACH regulation and the publication of the Candidate List of Substances of Very High Concern (SVHC) according to Article 59 of REACH regulation, Cytiva is aware of its legal obligations and will comply with them.

Cytiva articles do not "intentionally release" substances under normal conditions of use.

Based on information from our suppliers to date, the following substance is present in the Cytiva article at a concentration greater than the threshold of 0.1% (w/w).

| SL# | Cytiva Article # | Article Description                 | SVHC CAS# | SVHC Chemical Name | Wt.% in Cytiva Article |
|-----|------------------|-------------------------------------|-----------|--------------------|------------------------|
| 1   | 2602-501A        | IND LEAD ACETATE 7 MM<br>x 5 M 1/RL | 301-04-2  | Lead di(acetate)   | 0.47%                  |

Please do not hesitate to contact me if you have questions on specific products sold to you by Cytiva with regard to the REACH regulation.

Sincerely,

**Sudhananda V**
