

Streamline laboratory labeling.

MilliSentials™ Lab Labeling System

Tired of finding unlabeled tubes in your -80° C freezer? Sample labeling is critical to identifying and finding samples in the laboratory. Unfortunately, this process is error prone and can often result in loss of samples.

Our new MilliSentials™ Lab Labeling System provides a complete laboratory labeling solution with laboratory grade labels, a compact Wi-Fi® capable printer, and custom-designed laboratory labeling software to streamline your labeling workflows.

MilliSentials™ Lab Labeling System

Adaptable Laboratory Grade Labels

- Perforated label design allows adaptability to lab vessels
- Broad spectrum temperature and chemical compatibility

Easy to Use Wi-Fi® Enabled Printer

- Wi-Fi® connection allows wireless printing
- Small footprint - 10.5 in. X 8 in X 7.5 in. (L X W X H)

Simple Laboratory Labeling Software

- Pre-defined templates for laboratory vessels
- Mobile-friendly software for wireless printing
